Annex No.1 to the Certificate, reg. no. 170/26 issued on 22. 06. 2026

1. This Certificate authorises its holder to carry out activities in the scope stated in the Certificate. In case of extension of the production, the company has to notify the change to the issuer of the Certificate.

2. When carrying out the activities stated in this Certificate the regulations of Železničná spoločnosť Slovensko, a. s. have to be observed, as well as the relevant technical standards, and technical documentation valid in, and approved by Železničná spoločnosť Slovensko, a.s.

3. In case of low-quality work organization, recurrent defects on the subject of production etc., or a change to the evaluation conditions, the issuer of the Certificate reserves the right to carry out an extraordinary inspection of the work place, possibly also a subsequent restriction or cancellation of the Certificate.
